Resolution Setting a Public Hearing on Sakti3, Inc.'s Application for an Industrial Facilities Exemption Certificate in Industrial Development District No. 2011-010

Attached please find for Council action the necessary resolution to set a public hearing on the application of Sakti3 Inc. for an industrial facilities exemption certificate in Industrial Development District No. 2011-010 established by City Council on April 4, 2011.

State law requires that a public hearing be scheduled by the local governing body on receipt of an application for an industrial facilities exemption certificate in an established development district. Sakti3 Inc. filed an application with the City Clerk on February 21, 2012.

Sakti3 Inc. is requesting an abatement on \$151,433.00 of real property improvements and \$1,374,861.00 of new personal property. If approved, this would reduce Sakti3 Inc.'s annual tax bill for the new building improvements and equipment an average of approximately \$23,200.00 for each year of the Three years recommended for the abatement. The new building improvements and personal property investments will generate approximately \$29,500.00 in property taxes for each year during the abatement period.
