Resolution to Approve Amendment #1 to the Professional Services Agreement between the City and URS Corporation for the Exhibit A Property Map of the Ann Arbor Airport (\$800.00)

Attached for your review and approval is amendment #1 to the July 31, 2010 Professional Services Agreement between the City and URS Corporation. Amendment #1 is in the amount of \$800.00 and covers engineering related to additional easements that needed to be added to the Exhibit A property map of the Ann Arbor Airport. The original Professional Services Agreement of \$25,000.00 was approved by City Council on June 17, 2010.

The Exhibit A property map is required by the Federal Aviation Administration and the Michigan Department of Transportation - Office of Aeronautics (MDOT-Aero) for all federally funded airports. The original \$25,000.00 expense was paid for by Airport Improvement Grant funds and included a local share of \$625.00 paid from the Airport operating budget. The additional \$800.00 will be covered in full by MDOT-Aero's project contingency. Since the Professional Service Agreement is between the City and URS, the amendment to the Agreement must be approved by the City before MDOT-Aero can approve final payout.

URS Corporation received Human Rights and Living Wage approval on March 14, 2012.
