Resolution to Approve Temporary Outdoor Sales and Service of Food for the Special Event, "Eat the Street," during the Period November 8, 2013 through January 8, 2014

The South University Area Association (SUAA) plans to hold a special event from November 8, 2013 through January 8, 2014 to encourage the community to visit the South University retail/restaurant area. SUAA would like this event, called "Eat the Street," to include outdoor food cart sales on the vacant property at 1215 South University. SUAA believes this temporary food cart hub will revitalize an unsightly vacant part of the South University area as well as enhance the pedestrian experience while providing non-competitive healthy food choices for the variety of people who frequent South U.
