Resolution to Ratify the Emergency Purchase Order Request for Recycling Processing with Royal Oak Recycling (\$42,000.00)

The attached resolution ratifies the emergency purchase order authorization for recycling processing with Royal Oak Recycling. As provided in City Code 1:317, the Public Services Area received an emergency approval for temporary recycling processing with Royal Oak Recycling.

The termination of the contract with the on-site operator of the City owned Material Recovery Facility on July 7, 2016, which ended their services on July 11, 2016, resulted in the emergency need for facility evaluation and operating services. Royal Oak Recycling is able to process approximately 35 tons of recycle material per day at a cost of \$40.00 per ton. We are seeking their temporary services for up to a six week period.

Royal Oak Recycling complies with the City's non-discrimination and living wage ordinances.
