File #: 18-0250, **Version:** 1

ZBA18-004; 440 Highland Road

Rochman Design Build, representing property owners, is requesting a twenty-five foot variance from Chapter 55 Zoning Section 5:27 Area, Height and Placement Regulations, in order to construct a detached carport in the required front setback. The ordinance requires a 30 foot setback for structures in the R1B residential district.
