Attached for your review and approval is a resolution authorizing a purchase of the ONSSI Maintenance and Support. This will allow the City to stay current on the ONSSI Licensing Software and Maintenance to maintain the City's video surveillance system.

Fiscal/Budget Impact: Information Technology budgeted \$15k for FY 2019 as it was assumed the support would be renewed on an annual schedule. Washtenaw County renewed this maintenance on 3yr renewal with a total cost of \$35,856.82 for the City's portion. We are asking that the remaining \$20,856.82 be appropriated out of Fund Balance to stay current on the support.
