Resolution to Approve Midtown Ann Arbor Condominium Site Plan and Development Agreement, 1420 South Maple Road (CPC Recommendation: Approval - 6 Yeas and 0 Nays)
Approval of this resolution will allow for the construction of 256 dwelling units with 600 bedrooms in 17 buildings.

Petition Summary:

- The Site Plan proposes a density of 12.51 dwelling units per acre on this 20.46 acre site. Two existing single-family houses will be demolished. 28 woodland trees would be removed and mitigated; none of the 109 landmark trees will be removed. No public or private streets are proposed. There are 360 indoor parking spaces and 134 exterior spaces. A public water booster station will be located on site. Four storm water detention systems will be sized for 100-year storms.
- A development agreement has been prepared to address the construction of a water pump station, sanitary sewer mitigation, easements related to the shared storm water detention system, sanitary and water easements, crosswalk improvements, costs of equipment for traffic signalization changes, parks contribution, street tree escrow, and other site improvements.
- No issues were raised by Planning Commission.

The City Planning Commission, at its meeting of August 8, 2018, recommended approval of this request.
