Resolution to Approve 327 E. Hoover Site Plan (CPC Recommendation: Approval - 7 Yeas and 0 Nays)

Approval of this resolution will allow for the construction of a 4-story apartment building with six units and 885 s.f. of retail on the first floor. Nine garage parking spaces are proposed under the dwelling units.

Petition Summary:

- The Site Plan proposes to demolish the existing two-story, storage building and construct a new four-story, 17,176-square foot six-unit condominium building including an 885-square foot ground floor retail component facing E. Hoover Ave. nine enclosed parking spaces located behind the retail component and below the residential units. Eight Class C bicycle hoop style parking spaces are proposed at the front of the building along with nine enclosed bicycle located inside the garage.
- The petitioner addressed issues raised by Planning Commission by constructing the building without impeding the neighboring property's handicap access ramp located along the shared property line.

The City Planning Commission, at its meeting of March 5, 2019, recommended approval of this request.
