DR19-003; 1100 S University Ave A design plan for a 13-story high-rise on the south side of South U between East U and Church St. The building has a two-story streetwall on South U and East U, then steps back at the 3rd through 13th floors. A new alley along the south side of the site acts as a pedestrian connection between East U and Church St. A driveway to a vehicle ramp on Church St. leads to parking underneath the building. The building's exterior is a composition of brick with metal panel and stone accents, and a vertical glass element extends the height of the northwest corner. The site is 23,000 square feet, zoned D1 (Downtown Core) and South University character overlay district.
