Ann Ashley Parking Structure Expansion for City Council Approval - A proposal to add three levels of parking to the existing structure located at 120 West Ann Street a 0.30-acre site. The project includes adding light-emitting diode (LED) lighting, storm water management, additional bike parking, and electric vehicle chargers. It also includes a new elevator, improved pedestrian amenities, landscape and facade updates. D1 Downtown Core Zoning with Main Street Character Overlay Zoning District. Staff Recommendation: Approval
