Resolution to Amend the Old West Side Residential Parking District - Third Street and Appropriate General Fund Unobligated Fund Balance (\$2,000.00) **(8 Votes Required)**

Attached for your review and approval is a resolution to amend the Old West Side Residential Parking District to include parcels on a portion of Third Street and West Madison Street; from 602 through 631 Third Street and 421 West Madison Street.

Streets or sections of street currently signed for “no parking” or other restrictions will remain the same. The inclusion of a street signed for “no parking” in the District allows residents fronting that street to be eligible to participate, obtain a permit and park on another RPP Designated street within the Old West Side RPP District.

The following properties on this block have signed the petition: 602, 609, 610, 615, 616, 620, 623, 624, 625, 628, 630, and 631 Third Street. Staff has verified that over 60% (12/14 addresses = 86%) approve of this amendment.

Funding for the required signage installation was not included in the 2020 General Fund Operations and Maintenance Budget. Therefore, it is necessary to appropriate the funding for the work. The estimate for the cost of signage installation is \$2,000.00. An annual increase in residential parking permit revenue is estimated to be \$800.00.
