SECTION 13.5.

(a) Except as otherwise provided herein, the general election laws of the State shall control, as nearly as may be, all procedures relating to registration for and to the calling and conduct of City elections.

(b) In the event State law allows for the use of Ranked Choice Voting for the election of City Officers, the candidate receiving the majority of votes shall be declared the winner according to the following guidelines:

(1) The ballot shall allow voters to rank a number of choices in order of preference equal to the total number of candidates for each office.

(2) If a candidate receives a majority of the first choices, that candidate must be declared the winner. Subject to subsections (3) and (4), if no candidate receives a majority of the votes, the candidate, or candidates, who received the fewest number of first choices must be eliminated and each vote cast for that candidate must be transferred to the next ranked continuing candidate on the elector's ballot. Except as provided in subsection (5), this process will continue until a candidate receives a majority of votes.

(3) If the total number of votes of the 2 or more candidates credited with the lowest number of votes is less than the number of votes credited to the candidate with the next highest number of votes, those candidates with the lowest number of votes must be eliminated simultaneously and their votes transferred to the next ranked continuing candidate of each ballot.

(4) If an elector skips a rank, the elector's vote must be transferred to the elector's next ranked choice.

(5) If after the ranked choice voting process described in subsection (2) is complete and there is a tie of 2 or more candidates, the tie must be resolved as provided by State law.

(6) If the voting system, vote tabulation system or similar or related equipment used by the City cannot feasibly accommodate choices equal to the total number of candidates running for each office, the Clerk shall limit the number of choices a voter may rank to no fewer than three.

(c) Until such time that State law enables the City to use the Ranked Choice Voting guidelines found in Section 13.5(b) for the election of City Officers, the candidate with the highest number of votes in their respective race shall be elected or nominated.
