Resolution to Approve 907 & 913 S. Main Street Site Plan and Development Agreement, (CPC Recommendation: Approval - 6 Yeas and 0 Nays)

Approval of this resolution will allow for demolition of the two existing houses and combining both lots to construct a 6-unit, 36 bedroom rental complex.

Petition Summary:

- The Site Plan proposes to combine 907 & 913 S. Main street, demolish the existing structures and propose a 6-unit, 36 bedroom total complex for rent on this 0.32-acre site. A variance from planting street trees along S. Main is required from the Zoning Board of Appeals.
- A development agreement has been prepared to upgrade the water main leading to this site.
- The petitioner addressed issues raised by Planning Commission by agreeing to add bicycle parking spaces to address parking concerns. This proposal meets minimum parking requirements of 1.5 spaces/unit. An AAATA bus stop is close to this site.

The City Planning Commission, at its meeting of 12/1/20, recommended approval of this request.
