- Liberty Street between S. Ashley Street and Fifth Avenue
- Washington Street between S. Ashley Street and Division (except for traffic entering or exiting the Washington Street Parking Structure)

The event itself will take place from 2:00 PM until 10:00 PM with the additional time to be used for set-up and breakdown. The sponsor, the Main Street Area Association, will ensure that access to the Washington Street parking structure is maintained and will coordinate the bagging of parking meters with the DDA and Republic Parking.

This event will be held to promote the Main Street business district as well as provide entertainment in the downtown area.

The sponsor agrees to obtain all necessary permits, to provide evidence of proper liability insurance as required, to comply with all City regulations governing the use of the streets and will reimburse the City for all event expenses.

Notification of the street closings will be provided through the City's website as well as through the Main Street Area Association communications.

The event has been coordinated with all relevant City service areas for the purposes of traffic control and for the protection of the health and safety of the participants and the general public.
