DR23-0002; 300 East Huron Street

The proposed project will be a 6-story, 139 guestroom facility. The ground floor houses the hotel lobby, breakfast, meeting rooms, bar/lounge, and back-of-house spaces. At the northwest corner and along the East Huron streetscape, large expanses of exterior glazing are incorporated for a sense of connectivity between the interior and exterior public spaces. Floors 2-5 are comprised primarily of guestrooms, with a facade that incorporates varying degrees of offset/setback above the street wall. At the 6th floor, the hotel's fitness center is flanked by 2 guestroom wings, and the rooftop terrace allows guests and locals alike to step out and take a moment to enjoy views of the city and the surrounding landscape.

The project includes the following parcels: 300 East Huron Street and 312 East Huron Street.
