Legislation Text

File #: 23-0894, Version: 1

ZBA23-0016; 980 Sherwood Street

Race Lamkin of Lamkin Group LLC, representing property owners, are requesting a 10-foot variance from Section 5.18.5 Averaging an Established Front Building Line. The average front setback is 31 feet, and the request is to reduce the front setback to 21 feet. The owners are proposing to construct a 324 square foot (27'x12') addition to the northwest corner of the residence. The proposed addition will contain a master bedroom, bathroom, and kitchen addition. The subject property is zoned R1C, Single-Family Residential Dwelling District.
