The request for proposals was advertised on the City's website and on the Michigan Intergovernmental Trade Network (MITN) website. Four (4) proposals were received and publicly opened on June 25, 2024. A selection committee comprised of Public Services staff reviewed the proposals and determined which proposal was the Best Value based on the criteria in ORD-21-41:

- Qualifications, Experience, & Accountability (20%)
- Workplace Safety (20%)
- Workforce Development (20%)
- Social Equity & Sustainability (20%)
- Schedule of Pricing/Cost (20%)

After reviewing and scoring the proposals, staff ranked the responding firms in the following order:

1. Sommerset Paving Companies, LLC
2. CB Asphalt Paving
3. Gibraltar Construction Co.
4. H.G. Sartor LLC (Bid pricing error, not scored)

Sommerset Paving Companies, LLC received the highest score among the proposals reviewed by the selection committee. Therefore, staff recommends that City Council approve a contract with Sommerset Paving Companies, LLC for this work. Sommerset Paving Companies, LLC complies with the City's Non-Discrimination, Conflict of Interest and Living Wage ordinances.

This contract was bid with the understanding that it could be extended for one (1) additional two-year period at the mutual consent of the City and the Contractor with a onetime cost escalator of 3%. This Resolution would authorize the City Administrator to approve such an extension.

**Budget/Fiscal Impact:** Funding is available in the approved FY25 Public Works and Parks and Recreation's Operations and Maintenance budgets and will be available in subsequent budgets if approved by Council. Costs will be allocated to the appropriate funding source based on the individual tasks performed under this contract.
