File #: 26-1430, **Version:** 1

Resolution to Approve a Grant of Easement to DTE Electric Company for Electrical Facilities at 3225 Sunnywood Drive **(8 Votes Required)**

This easement is a 10-foot wide easement for electric facilities at 3225 Sunnywood Drive (Lakewood Nature Area). This grant of easement is part of a larger service improvement project in which DTE is burying electrical power lines in place of overhead power lines in the Lakewood neighborhood.

Prepared by: Michele Yanga, Paralegal
Reviewed by Christopher Frost, Senior Assistant City Attorney
Approved by: Milton Dohoney Jr., City Administrator

Whereas, The City of Ann Arbor is the owner of 3225 Sunnywood Drive, (Lakewood Nature Area);

Whereas, DTE Electrical Company has requested an easement for electrical facilities; and

RESOLVED, That the City of Ann Arbor hereby approves the grant of easement as shown and described on the attached easement drawing; and

RESOLVED, That the Mayor and City Clerk are authorized and directed to execute the grant of easement in a form approved by the City Attorney.
